

## Exam 2 Redo Information

---

- you can redo any or all of the problems (but only whole parts)
  - read the comments for each problem!
  - write up your redo solutions separately – do not make corrections on the exam itself
- redo grade = original grade +  $\frac{1}{2}$  points gained by the redo
  - the answer must be substantially correct in order to get credit for redoing the problem
- you **may not** get help from friends or TFs
- you **can** use your notes and the textbook
- you are **encouraged** to come to office hours / problem sessions
- due Tue 5/7 4:30pm
  - earlier handins are encouraged!
